

# Cocaine Blues

[Rev. Gary Davis](#)

Got my baby dressed in white  
Hey baby won't you stay the night  
Cocaine all around my brain  
Got my baby dressed in red  
Hey baby won't you come to bed  
Cocaine all around my brain  
Hey baby won't you please come quick  
This old cocaine's makin' me sick  
Cocaine all around my brain  
Got my baby dressed in green  
Hey baby can't be seen  
Cocaine all around my brain  
Hey baby won't you please come quick  
This old cocaine's makin' me sick  
Cocaine all around my brain  
Got my baby dressed in read  
Hey baby won't you come to bed  
Cocaine all around my brain
