Celtic Thunder

When the storm is raging
And thunder rolls
Deliver us from the ocean
Save our souls

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)
A Chriost dean trocaira (Christ have mercy)
A Thiarna dean trocaira (Lord have mercy)
A Chriost dean trocaira (Christ have mercy)

When the winds are howling

Vigil keep

Shelter us and save us

From the deep

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)
A Chriost dean trocaira (Christ have mercy)
A Thiarna dean trocaira (Lord have mercy)
A Chriost dean trocaira (Christ have mercy)

When the winds are howling

Vigil keep

Shelter us and save us

From the deep

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)
A Chriost dean trocaira (Christ have mercy)

A Thiarna dean trocaira (Lord have mercy)
A Chriost dean trocaira (Christ have mercy)

Thank you, Lord, you have brought us

Safe to shore

Be our strength and protection

Ever more

(Gaelic chorus)

A Chriost dean trocaira (Christ have mercy)
