# Twilight

## The Twilight Singers

When darkness falls on summer's end
So in your absence I shall begin
When darkness falls, the race is done
And love lives not when hope is gone
Goodbye, sugarEverything's gonna be alright
Everything's gonna be alright, baby
You'll seeEverything's gonna be alright
Everything's gonna be alrightThe longest night of every year I spent beside you, baby
Do you remember anything about me?
I was the one when hope was gone
Who took too long to sing this songEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alrightEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alrightEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alrightEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alrightWhen darkness falls on summer's end
So in your absence I shall begin
When darkness falls, the race is throughEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alrightEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alrightEverything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
