I Am Jack's Broken Heart

They Call Me Casper

Kiss me Girl,You Know you want to,Your fingers inch for the touch of my skin.
You'll have to tell your boyfriend that breaking hearts is this city's new trend.
You try so hard to be perfectly adequate in every single aspect but you tragic and you know this and you know this.
You can rest assured that in a connoisseur of what i adore,So hold you applause as i leave{As i leave} through the nearest exist door,Take a step back try to relax this moment doesn't belong to you theirs a failure in your hearts strings that makes you long for forbidden things.
You try so hard to be perfectly adequate in every single aspect but your tragic and you know this,and you can rest assured that in a connoisseur of what i adore,So hold your applause as i leave through the nearest exist door,as i leave (as i leave) through the nearest exit door i am jacks broken heart,{heart}
I am jacks broken heart{Heart}.
You try so hard to be perfectly adequate in every single aspect but you tragic and you know this and you know this.You can rest assured that in a connoisseur of what i adore,So hold you applause as i leave through the nearest exist door
You can rest assured that in a connoisseur of what i adore,So hold you applause as i leave{As i leave} through the nearest exist door.
