

Fire Squad

J. Cole

Advisory - the following lyrics contain explicit language:

Nigga why you actin' like a ho?
Know that I'ma ride for ya, either way it go
Tell me girl why you be stressin me for time
When you tell me you love me, can't you see im tryna climb
Damn my nigga why you actin' like a bitch
If you scared to take a chance, how the fuck we gon' get rich?
Come here baby why you always insecure?
Hold on tight to a nigga and be sure Ain't a way around it no more, I am the greatest
A lotta niggas sat on the thrown, I am the latest
I am the bravest, go toe to toe with the giants
I ain't afraid of you niggas, I'll end up fading you niggas
'Fore it's all said and done, this nigga need medicine
My uzi it weighed a ton, I need me a better gun
In fact I just might need two, cuz niggas say they the one
And I got something to prove
Forgive me lord here they come, BLAOWNigga why you actin' like a ho?
Know that I'ma ride for ya, either way it go
Tell me girl why you be stressin me for time
When you tell me you love me, can't you see im tryna climb
Damn my nigga why you actin' like a bitch
If you scared to take a chance, how the fuck we gon' get rich?
Come here baby why you always insecure?
Hold on tight to a nigga and be sure My inhibitions, fighting my intuition
Premature premonition
Showin me the demolition of these phony niggas
So ahead of my time
Even when I rhyme about the future I be reminiscing
You want the truth well come and listen
Im like that time you bagged a dime
And checked ya phone and saw it was a number missing
As fate passes you by half of you try
The other half of you fry, too high to actually fly

One day yall have to decide, who you gon be
 A scary nigga or a nigga thats gon' rule like me
 Keep it true like me, Cole you might be
 Like the new Ice Cube, meets the new Ice-T
 Meets 2 Live Crew, meets the new Spike Lee
 Meets Bruce like Wayne, meets Bruce like Lee
 Meets '02 Lil Wayne, in a new white tee
 Meets KD, ain't no nigga that can shoot like me! BLAOWNigga why you actin' like a ho?
 Know that I'ma ride for ya, either way it go
 Tell me girl why you be stressin' me for time
 When you tell me you love me, can't you see I'm tryna climb
 Damn my nigga why you actin' like a bitch
 If you scared to take a chance, how the fuck we gon' get rich?
 Come here baby why you always insecure?
 Hold on tight to a nigga and be sure(Who's the king?)
 Came from the bottom nigga, with stains on my shirt
 What you expected from me, I came from the dirt
 (Who's the king?)
 Money my motivator, the songs that I sing
 Picture a peasant passin' from pawn to a King
 You tell me ya still love me, if so then let me go
 Will I return or will I burn, never know
 Look in my eyes and see the future
 But don't sugar coat itHistory repeats itself and thats just how it goes
 Same way that these rappers always bite each others flows
 Same thing that my nigga Elvis did with Rock n Roll
 Justin Timberlake, Eminem, and then Macklemore
 While silly niggas argue over who gone snatch the crown
 Look around my nigga white people have snatched the sound
 This year I'll prolly go to the awards dappered down
 Watch Iggy win a Grammy as I try to crack a smile
 I'm just playin', but all good jokes contain true shit
 Same rope you climb up on, they'll hang you with
 But not Jermaine, my aim too sick
 I bang nigga, I came to bring the pain my brain too quick
 You see how I maneuver this game, I ain't stupid
 I recognize that life is a dream, and I dream lucid
 And break the chains and change minds, one verse at a time
 And claim that you sick, and fuck it if the truth is
 Who's the king?We all kings
 (We all kings nigga)
 Kings of ourselves first and foremost
 (True)
 While the people debate who's the king of this rap game
 Here comes lil' ol' Jermaine

With every ounce of strength in his veins
To snatch the crown from whoever y'all think has it
But rather than place it on his head as soon as he grabs it
Poof, boom, paow, it's like magic
With a flash and a BANG the crown disintegrates
And falls from the Earth from which it came
It's done
Ain't gonna be no more kings
Be wary of any man that claims
Because deep down he claims onto the need for power
But reality he's a coward
Ultimately he's scared to die
And sometimes so am I
But when I'm in tune with the most high
I realize
The fear lies in my lack of awareness of the other side
Today I know that we are the same
Are the same, you and I
Different kind of skin, different set of eyes
Two different minds, but only one God
(It's only one God nigga)
It's for all the kings
Cause deep down I know every pore just wanna be loved
