

# Emotional

## Snoh Aalegra

I wanna love him  
But what if he hurts me?  
Oh[Verse 1]  
Faith like broken hearts  
Warm like mothers arms  
Holding me close in the dead of the dark  
You're fake like false alarms[Pre-Chorus 1]  
I've been holding on for way too long  
I can feel the fever coming on  
Oh[Chorus]  
So what if I'm emotional?  
I feel it in my bitter bones  
Oooh I need somebody to hold me  
Oooh I need your body to tell me I'm the only one  
Oh, can anybody help me now?  
Cause I'm on on a high that's coming down  
Ooh I need somebody to hold me  
You don't need to tell me, I know that it's love, cause it hurts[Sample][Verse 2]  
Dress my open wounds  
I'm not over you  
I'm just a puppet you played for a fool  
Your sex is my abuse[Pre-Chorus 2]  
I've been holdin' on for way too long  
But I can feel the fever coming on, oh Lord[Chorus][Bridge]  
Baby please I need you darling  
I'm bleeding darling  
I know that it's love[Pre-Chorus 3]  
So what if I'm delusional?  
Don't wanna face it any more, no no[Outro]  
Oooh I need somebody to hold me  
You don't need to tell me, I know that it's love, cause it hurts
