Hold My Beer

Aaron Pritchett

I've been watchin'
You watchin' every girl in the bar
And paying no attention
To the one on your arm
You're a dog
And man, she's smokin'I've seen your kind before
You think you're so cool
But this country boy's
Gonna take you to school
Hold out your hand
No, man, I ain't jokin'Hold my beer
While I kiss your girlfriend
'Cause she needs a real man
Not a boy like you hold my beerI'm a man on a mission
You don't see what you're missin'
But I do so here
Hold my beerWell, friend I wouldn't blame you
If you wanted to fight
If you wanna later
We could take it outside
But for now, do me a favorHold my beer
While I kiss your girlfriend
'Cause she needs a real man
Not a boy like you hold my beerI'm a man on a mission
You don't see what you're missin'
But I do so here
Hold my beerGuy's like you
You ain't good for nothin'
Now, hold on a second
You gotta be good
For somethin' for somethin'?
I knowHold my beer
While I kiss your girlfriend
'Cause she needs a real man
Not a boy like you hold my beerI'm a man on a mission
You don't see what you're missin'
But I do so here
Hold my beerHmb, but don't drop it
Hmb, seriously man don't drop it

Hmb, 'cause I just bought it
Hmb, you gonna be hanging
Around here a while?You wanna watch my jacket?
Hmb, I'm just gonna
Be out here dancin'
With your girlfriend
Hmb
