Nothing to Say

Bedouin Soundclash

The rocky red ocean (ohhh)
the news of arrival (ohhh)
down in the marketplace
I came to hear this man say (ohhhh, ohhhh, ohhhh)
he had, nothing to say(X8)Born in the blue market(ohhh)
when lightning collided(ohhhh)
down in the marketplace
I came to hear this man say (ohhhh, ohhhhh, ohhhh)
he had nothing to say (X8)My name is Bilboka(ohhh)
my name is Elowen(ohhh)
down in the market place
I came to hear this man say (ohhh, ohhh, ohhh, ohhh)
he had, nothing to say,(X8)
