

Love Wins (feat. Kari Jobe)

[Jason Crabb](#)

When all you've ever known is gone
And you're miles away from moving on.
It's hard to find the strength to breathe
And the storm has left you worn & weak.
And all that's left is all you've got,
You feel alone but you know you're not .[Chorus]
Don't you ever stop, don't you ever stop, no.
Keep giving all you've got, giving all you've got, oh.
Your heart's been broken by the pain,
But you still find the peace to give away...
Love wins, love wins. The sun is gonna break the clouds,
And take the place of fear and doubt.
Oh, and light the way for your next step
And make the most for what is left.[Chorus]
Don't you ever stop, don't you ever stop, no.
Keep giving all you've got, keep giving all you've got, oh.
Your heart's been broken by the pain,
But you still find the peace to give away...
Then love wins, love wins.
Love wins, when we learn to pass it on.
Love wins, when we make each other strong.
