

Not Too Late

[Lindsey Buckingham](#)

Reading the paper saw a review
Said I was a visionary, but nobody knew
Now that's been a problem
feeling unseen
Just like I'm living somebody's dream What am I doing anyway
Telling myself it's not too late I'm not a young man but I'm a child in
my soul
I feel there's room for songs that
are sung
For chances not taken for deeds not
yet done What am I doing anyway
Telling myself it's not too late My children look away they don't know
what to say
My children look away they don't know
what to say So that's been a problem
feeling unheard
So called visions always deferred
It must be the reason I developed
this need
You know you should never believe
what you read What am I doing anyway
Telling myself it's not too late My children look away they don't know
what to say
My children look away they don't know
what to say
