

Club Le Narcisse

Malcolm McLaren

A secret history of a time to come
The free explosion, everyone must search
For what he loves and for what attracts him
So I took Eric, Mr.Satie to an Algerian Rai ClubLosing James Bond in Pigalle
Was the best night I ever hadLa la la la, C'est nul
La la la la, on m'l'a fait plus
Non, non, non moi j'aime personneStripping on the catwalks on those tiny dimply lit clubs
Girls who turn from time to time into animals
And then back into animal girls
Drinking at the well of their true desires
