

# Neon Lights

[Demi Lovato](#)

Baby when they look up at the sky  
We'll be shooting stars just passing by  
You'll be coming home with me tonight  
We'll be burning up like neon lightsBe still my heart 'cause it's freaking out, it's freaking out, right now  
Shining like stars 'cause we're beautiful, we're beautiful, right now  
You're all I see in all these places  
You're all I see in all these faces  
So let's pretend we're running out of time, of timeBaby when they look up at the sky  
We'll be shooting stars just passing by  
You'll be coming home with me tonight  
And we'll be burning up like neon lightsBaby when they look up at the sky  
We'll be shooting stars just passing by  
You'll be coming home with me tonight  
And we'll be burning up like neon lightsNeon lights  
Neon lights  
Neon lights  
Like neon lights  
Like neon lightsBe still my heart 'cause it's freaking out, it's freaking out, right now  
Shining like stars 'cause we're beautiful, we're beautiful, right now  
You're all I see in all these places  
You're all I see in all these faces  
So let's pretend we're running out of time, of timeBaby when they look up at the sky  
We'll be shooting stars just passing by  
You'll be coming home with me tonight  
And we'll be burning up like neon lightsBaby when they look up at the sky  
We'll be shooting stars just passing by  
You'll be coming home with me tonight  
And we'll be burning up like neon lightsNeon lights  
Neon lights  
Neon lights  
Like neon lights  
Like neon lightsShining like stars 'cause we're beautiful, beautiful  
You're all I see in all these places  
You're all I see in all these faces  
So let's pretend we're running out of time, of timeLike neon lights  
Like neon lightsBe still my heart 'cause it's freaking out
