

# Wreck My Car

[Scott H. Biram](#)

I just had to let you know  
What you're doin' to me baby  
Your love's a lot like gravy  
Yes it is  
I just can't get enough of your sweet stuff You're my one and only  
If you leave you leave me lonely  
Well you try to break my heart  
Rather you just go out and wreck my car I got my mind set on you  
I try to love you but you're just not true  
Sweet dame you're always on my mind  
I try to love you said all the time  
Only you  
Woah-oh  
Can make me crazy like you do  
Yeah ah you try to break my heart  
Rather you just go out and wreck my car You see the harder I try  
The more I just wanna lay down and die  
Yeah yeah  
You drive me crazy  
Get over here baby and save me You're my one and only  
If you leave you leave me lonely  
Yeah ah you're tryin' to break my heart  
Rather you just go out and wreck my car I got my mind set on you  
I try to love ya but you're just not true  
Sweet baby you're always on my mind  
I try to love you said all the time  
Only you  
Woah oh  
Can make me crazy like you do  
Yeah ah you try to break my heart  
Rather you just go out and wreck my car And I said hey hey baby  
I wanna know  
If you'll be my girl
