

Mighty Joe

Shocking Blue

Be carefull girls
for Mighty Joe
be carefull !
He teaches you all that don't know.
He makes you cry
before it's through and I bet you like it too.
Did you hear about Mighty Joe ?
Did you hear about Mighty Joe ?
Beware
beware when he is around.
mighty Joe with the bass voice ! Mighty Joe was here last year
I tell you !
Just like you
I had no fear.
I fell for him
baby and then he made of me a woman.
Sweet
sweet
sweet thing.
Sweet
sweet
sweet thing.
I love you
yes
I love you
I love you so bad. He took my heart and in a sense I swear he ain't got no sense.
when I said yeah
he's gone to town.
I warn you
he will let you down.
Did you hear about Mighty Joe ?
Did you hear about Mighty Joe ?
Beware
beware when he is around.
mighty Joe with the bass voice !
