Hatred United / United Hate

Death Angel

The vicious horde comes rushing
In with a deadly bond
Hell bent on dismantling the system
That they've been forced in far too longIt's televised
It's globalized
Our message is true
No compromise
No veiled bribes
Our hatred is you
No longer part of your process
No longer part of your plan
The segregation of the true outspoken
The reconstruction of manThis lethal swarm's descending
Death diving from great heights
Eradicate by annihilation
The blinding blast on this darkest of nightsYou've been betrayed
From cradle to slave
Let's make a stand
We'll fight hand in hand
You've been betrayed
From cradle to slave
Gather your pride
We'll fight side by side
