

# Number 1 (Alan Braxe and Fred Falke Main Remix)

## Goldfrapp

Walk out into velvet  
Nothing more to say  
You're my favorite moment  
You're my Saturday 'Cause you're my number one  
I'm like a dog to get you  
I want it up and on  
I'm like a dog to get you Sunset only seconds  
Just ripe then it's gone  
Got no new intentions  
Just right then it's gone 'Cause you're my number one  
I'm like a dog to get you  
I want it up and on  
I'm like a dog to get you
