

How Does It Feel

Anita Baker

Changed all my plans, look what you've done
My house is small, and there's only room for one
I know this game darling ' I don't want to play
 Why can't I just walk away
 Who's got the time, I need my space
 Maybe someday in another time and place
 Who's got the time, I need my space
 Maybe someday in another time and place
Just turn around, I don't need this, not right now
 But I'm falling anyhow[Chorus:]
 How does it feel? And it feels so fine
How do you know? 'cause I feel something deep down inside
 What do you see? I see the light in his eyes
 And I know what I know (I know it's clear)
 Nobody's got to tell me so
 See hearts never lie, the truth is in a sigh
 I look in his eyes and I'm on fire
 Logic prevail
 I don't believe in fairy tales
 Lately I find, I'm waiting by the phone
 And I don't want to be alone
Feelings won't fade, doesn't matter what I say
 Bit I'm falling deeper everyday
 Ain't nobody got to tell me so
 I know what I know
 Ain't nobody got to let me so
 I give up, I give in
 Touch your body, taste your skin
 The answer is the same again and again
 How does it feel? And it feels so fine
How do you know? 'cause I feel something deep down inside
 What do you see? I see the light in his eyes
 And I know what I know (I know it's clear)
 Ain't nobody got to tell me so
 How does it feel? Said it feels so fine
How do you know? 'Cause I feel something deep down inside
 What do you see? I see the light in his eyes
 And I know what I know (I know it's clear)

What I know baby, baby
