

Playing With Fire (Featuring Danielle Bradbery)

Thomas Rhett

I know I should let it go
Take a different road
When I'm driving home
But I don't want to Delete your number from my phone
Instead of calling
Asking if you're all alone
But I don't want to Stay away
From your side of town
But it's too late
I'm in your drive right now I don't know, why I don't
Put it out baby
We kiss and the flames
Just get higher
But yeah I know
When I hold onto you baby
I'm all tangled up in barbed wire
I get burned, I don't learn
I'll be back, give it time
Yeah, I know it sounds crazy
But guess I like playing with fire I could find a spot to
Go hang out on Friday night
Where you are gonna be
But I don't want to, no Yeah, I could let it end
Call it quits, call off
All this on and off again
But I just don't want to Yeah that key
Is right under the mat
Come on in, baby
Let's strike that match I don't know, why I don't
Put it out baby
We kiss and the flames
Just get higher
But yeah I know
When I hold onto you baby
I'm all tangled up in barbed wire
I get burned, I don't learn
I'll be back, give it time
Yeah, I know it sounds crazy
But guess I like playing with fire

Playing with fireSo let's fire it up one more time

(Fire it up one more time)

Baby just put your lips on mine
