

Elenor

Me First and the Gimme Gimmes

You got a thing about you
I just can't live without you
I really want you, Elenor, near me Your looks intoxicate me
Even though your folks hate me
There's no one like you, Elenor, really Elenor, gee, I think you're swell
And you'd really do me well
You're my pride and joy, etcetera Elenor, can I take the time
To ask you to speak your mind?
Tell me, that you love me better I really think you're groovy
Let's go out to a movie
What do you say now, Elenor, can we? They'll turn the lights way down low
Maybe we won't watch the show
I think, I love you, Elenor, love me Elenor, gee, I think you're swell
And you'd really do me well
You're my pride and joy, etcetera Elenor, can I take the time
To ask you to speak your mind?
Tell me, that you love me better Elenor, gee, I think you're swell
Ah, ah, ah
Elenor, gee, I think you're swell
Ah, ah, ah
