Not Enough

Junkie XL

I'll give you all for nothing
You know it's true
The best I have to offer
I'll give to youThe city that surrounds you
Is full of pretty people
They give you all their money
And show you fancy placesNot enough
Not enoughI know I'm not your type
I'm not good enough for you(Not enough)
Nothing's good enough for you
(Not enough)
Nothing's good enough for you(Not enough)
Nothing's good enough for you
(Not enough)
Nothing's good enough for youDon't look past you gardens
You'll find the dirty streets there
And all your neighbors shouting
Help me to distract themI know you're multitudes
Nothing's good enough for you(Not enough)
Nothing's good enough for you
(Not enough)
Nothing's good enough for you(Not enough)
Nothing's good enough for you
(Not enough)
Nothing's good enough for you(Not enough)
Nothing's good enough for you
