

# Hold You (D'azoo At Night Remix 2007)

[ATB](#)

All the things that I told you  
All the things that I never mentioned  
All the things that I told you twice Give me something to turn to  
Like an answer that has no question  
Give me something that I can't fight I don't want to hold you  
I don't want to hold you down  
I don't want to hold  
I don't want to hold you down I will always adore you  
As the line with no intersection  
never knows what it means to cry
