

Amazing Life

Clare Bowditch

It's a beau-beau-beautiful world we've been given
From the top of the sky to the ocean
I'll never understand it all (understand it all)
It must be supernatural

It's a ma-ma-magical a starry night
Feel, feel so small under a billion lights
I'll never understand it all (Never understand it all)
It must be supernatural

Amazing life
Flying higher than I've ever dreamed
From the top of the world I could scream
Amazing life

It's a colorful, colorful world painted so bright
Gonna walk on air, gonna take flight
I'll never understand it all (Never understand it all)
It must be supernatural

I wanna drink, drink, drink every drop of sunshine
Got a smile on my face, I won't apologize
I'll never understand it all (Never understand it all)
It must be supernatural

Amazing life
Flying higher than I've ever dreamed
From the top of the world I could scream
Amazing life

You are the burning in my heart that never dies, never dies
Without You here my world is black and white
Like a show without a stage
Like a storm without the rain
You are the one I can't replace
Need You by my side
Need You by my side

You're the reason for this amazing

Amazing life
Flying higher than I've ever dreamed
From the top of the world I could scream
Amazing life
