

Underneath

Hanson

Waking up this morning, thinking this can't be real
They say there is nothing love can't heal
Why don't you come on down so you can feel, what I feel
Sitting all alone in this place
Even though we're here face to face
There is nothing gone but something wrong
Can't you see, that I'm stuck here, underneath
And you're making hard to breathe
Take a look around and tell me what you see
You'll find me, underneath
Underneath I know what to say but don't know where to begin
The fear of losing you beneath my skin
Is there resolution for this pain, that I'm in
Sitting all alone in this place
Even though we're here face to face
There is nothing gone, but something wrong
Can't you see, that I'm stuck here, underneath
And you're making, hard to breathe
Take a look around and tell me what you see
You'll find me, underneath
'Cause you'll still find me, oh ooh oh, underneath
Oh yeah Oh ooh oh oh
Oh if only you could feel what I dream
Maybe you could hear what I mean
There is nothing gone but there's something missing
Can't you see, that I'm stuck here, underneath
And you're making, hard to breathe
Take a look around and tell me what you see
You'll find me, underneath 'Cause I'm stuck here, underneath
And you're making, hard to breathe
Take a look around and tell me what you see
You'll find me, underneath
Underneath Underneath
