## **My House**

## Flo Rida

Open up the champagne, pop!

It's my house, come on, turn it upHear a knock on the door and the night begins

'Cause we done this before so you come on in

Make yourself at my home, tell me where you been

Pour yourself something cold, baby, cheers to this Sometimes you gotta stay in

And you know where I live

Yeah, you know what we is

Sometimes you gotta stay in, inWelcome to my house

Baby take control now

We can't even slow down

We don't like to go out

Welcome to my house

Play that music too loud

Show me what you do now

We don't like to go out

Welcome to my house

Welcome to my houseMorning comes and you know that you wanna stay

Close the blinds, let's pretend that the time has changed

Keep our clothes on the floor, open up champagne

Let's continue tonight, come on, celebrateSometimes you gotta stay in

And you know where I live

Yeah, you know what we is

Sometimes you gotta stay in, inWelcome to my house

Baby take control now

We can't even slow down

We don't like to go out

Welcome to my house

Play that music too loud

Show me what you do now

We don't like to go outWelcome to my house

Welcome to my house

Welcome to my? off the crib, the spot, the pad

But my house is your house if you throwin' it back

Excuse me if my home drainin' the sad

Soon as these happy faces lay you can run with the cash

Homerun, slam dunk, touchdown, pass

Mi casa es tu casa so it ain't no holding back

Another shot of vodka, you know what's in my glass

It's my house, just relaxWelcome to my house

Baby take control now
We can't even slow down
We don't like to go out
Welcome to my house
Play that music too loud
Show me what you do now
We don't like to go out
Welcome to my house
Welcome to my house
It's my house
Welcome to my house
It's my house
