One Mint Julep

Poncho Sanchez

One early morning as I was walking
I met a woman, we started talking
I took her home to get a few nips
But all I had was a mint julepI dont remember just how I started
I only know that we should have parted
I stole a kiss and then another
I didnt mean to take it further
One mint julep was the cause of it allThe lights were burning low, there in the parlor
When through the kitchen door up popped her father
He said, I saw you when you kissed my daughter
Better wed her right now, or face a slaughter
I didnt know just what I was doing, I had to marry or face ruinA mint julep, a mint julep
A mint julep, a mint julep
One mint julep was the cause of it allNow, I dont want to bore you with my troubles
But from now on Ill be thinking double
Im through with flirting and drinking whiskey
I got six extra children from a-getting friskyA mint julep, a mint julep
A mint julep, a mint julep
One mint julep was the cause of it all
