

Brand New Day

Trevor Hall

Don't fall asleep in the snow
Come up above from below
Wipe the sleep from your eyes
Oh my, my
Shake the dust off your hands
And come run free on this land
If you want to survive, aye, aye

It's time to wake up and sing
It's time to wake up and sing
It's time to wake up and sing, ah
Oh put the crown on the king
Oh put the crown on the king
Put the crown on the king, yeah
Live your life

[Chorus]

Come rise up, come give love
What you waiting for?
It's a brand new day
All around, here and now
What you waiting for?
It's a brand new day

Now fallen soldiers arise
Raise your hands toward the sky
I tell you mama's alive
Lift up your love toward the sky
The sky don't question why
The strength is of another kind
Don't look around just look inside
Ain't no lie it never dies, so

We're gonna wake up and sing
We're gonna wake up and sing
We're gonna wake up and sing, yeah, a a aye
Oh, put the crown on the king
Put the crown on the king
Put the crown on the king, yeah

Live your life

[Chorus]

[Repeat: x4]

Oh, oh, oh oh, oh oh, oh oh oh

Sun comin' up and everyone knows
Holdin' on to a time it's time to let go
This ain't for the money and not for the show
Like a river come down like a river come flow

I know you know we live we seek
We're runnin' to the rhythm and the rhythm don't sleep
Cook up the mixture, tell all the listeners
This is the sound and we've come to lift ya

[Chorus]
