High Fidelity

Elvis Costello

Some things you never get used to
Even though you're feeling like another man
There's nothing that he can do for you
To shut me away as you walk through
Lovers laughing in their amateur hour
Holding hands in the corridors of power

Even though I'm with somebody else right nowHigh fidelity

Can you hear me? Can you hear me?

Can you hear me? High fidelity

Can you hear me? Can you hear me?

Can you hear me? There's a new kind of dedication

Maybe you'll find it down the tunnel

Maybe I got above my station

Maybe you're only changing channelEven though you're nowhere near me

And I know you kiss him so sincerely now

Even though the signal's indistinct

And you worry what silly people think

Who just can't wait to feel so frozen out

I bet he thinks that he was chosen out of millions

I suppose he'll never know aboutHigh fidelity

Can you hear me? Can you hear me?

Can you hear me? High fidelity

Can you hear me? Can you hear me?

Can you hear me?

Can you hear me?
