

Silence Is Golden

The Tremeloes

Oh don't it hurt deep inside
To see someone do something to her
Oh don't it pain to see someone cry
How especially if that someone is her

Silence is golden, but my eyes still see
Silence is golden, golden, but my eyes still see

Talking is cheap people follow like sheep
Even though there is no where to go
How could she tell he deceived her so well
Pity she'll be the last one to know

How many times will she fall for his lines
Should I tell her or should I be cool
And if I tried I know she'd say I lied
Mind your business don't hurt her you fool

Silence is golden, but my eyes still see
Silence is golden, golden, but my eyes still see
