

# Faster Kill Pussycat

[Brittany Murphy,](#)

Faster kill faster still pussycat  
I can't stand to see you cry  
Honey, you know where the world is at  
Get what you want with your lucky eyes  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on  
Better wake up this sleep head  
Big old world will pass us by  
So many things we could do instead  
Get what you want with your lucky eyes  
Faster kill faster still pussycat  
Those high heels are not your friends  
Honey you know where the world is at  
Come home with me when the party ends  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on  
Pussycat, pussycat  
Heaven knows I tried to let you go  
I can't help myself, you know I'm out of control  
Heaven knows I tried to let you go  
I can't help myself, I think I'm losing control  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on  
You turn me on  
You know your turning me, you know your turning me on
