Your Love Broke Through

Keith Green

Like a foolish dreamer trying to build a highway to the sky
All my hopes would come tumbling down
And I never knew just why
Until today, when you pulled away the cloudsThat hung like curtains on my eyes
Well I've been blind all these wasted years
And I thought I was so wise
But then you took me by surpriseLike waking up from the longest dream, how real it seemed
Until your love broke through
I've been lost in a fantasy, that blinded me
Until your love broke throughAll my life I've been searching for that crazy missing part
And with one touch, you just rolled away
The stone that held my heart
And now I see that the answer was as easyAs just asking you in
And I am so sure I could never doubt
Your gentle touch again
It's like the power of the windLike waking up from the longest dream, how real it seemed
Until your love broke through
I've been lost in a fantasy, that blinded me
Until your love, your love broke throughLike waking up from the longest dream, how real it seemed
Until your love broke through
Until your love broke through
