

Beth/Rest (Work Drugs remix)

Bon Iver

Errant heat to the star
And the rain let in
The hawser rolls, the vessel's whole and Christ, it's thin Well I'd know that you'd offer
Would reveal it, though it's soft and flat
Won't repeat it, cull and coffers that
For the soffit, hang this homeward
Pry it open with your love
Sending lost and alone standing offers It is steep, it is stone
Such recovery
From the daily press, the deepest nest, in keeper's keep All the news at the door
Such a revelry
Well, it's hocked inside of everything you said to me It was found what we orphaned
Didn't mention it would serve us picked
Said your love is known
I'm standing up on it Aren't we married?!
I ain't living in the dark no more
It's not a promise, I'm just gonna call it Heavy mitted love Our love is a star
Sure some hazardry
For the light before and after most indefinitely Danger has been stole away
