Wrong Impression

Note-oriety

Calling out, calling out
Haven't you wondered?
Why I'm always alone
When you're in my dreams?
Calling out, calling out
Haven't you wondered?
Why you're finding it hard
Just looking at me?
I want you
But I want you to understand
I leave you
I love you
Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
Yeah of love
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
Yeah of love, yeah, yeah
Falling out, falling out
Have you ever wondered?
If this was ever more
Than a crazy idea?
Falling out, falling out
Have you ever wondered
What we could've been
If you'd only let me in?
I want you
But I want you to understand
I miss you
I love you
Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession

Yeah of love

Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
Yea of love
Have you ever wondered?
Yeah, yeah ooh
Yeah
I need you
I love you
Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
Yeah of love
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
Yeah of love
I didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
Yeah of love, yeah
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
Yeah of love
I didn't want to leave you there
I'm calling out, yeah
Wasn't trying to pull you
In the wrong direction
But I'm calling out, yeah yeah, yeah
Wasn't trying to pull you
In the wrong direction
But I'm falling out
