

Bled Dry

Napalm Death

Sucked up, eyesore
Bleeding you dry
Dragged down deep
Gut fuck, breakdownBled dry
Take you and use you
Lose you, I forget youBled dry
Take you and use you
Lose you, I forget youSide on, swallow
Licked but I can't taste
Spat out, still whole
It's nothing but wasteBled dry
Take you and use you
Lose you, I forget youBled dry
Take you and use you
Lose you, I forget youSweat, shake, die
Now I want it all
Pore deep, blowout
Burst, bite, haul outSweat, shake, die
Now I want it all
Pore deep, blowout
Burst, bite, haul outTake you and use you
Lose you, I forget you
Take you and use you
Lose you, I forget you
