

# Show Me

## Bei Maejor

Oooh, oooh, oooh, oooh, oooh

Ooh, baby

All you gotta do is show me

All you gotta do is show me

Ooh, baby

All you gotta do is show me

All you gotta do is show me

(Me-e-e-e)

Ooh, baby

All you gotta do is show me

All you gotta do is show me

Ooh, baby I've been watching you

Just to see how for you would go (go, go)

You're gonna have to prove

Make a move and let it show (show, show) Girl, I know it's getting late

And you've gotta go home, home

But before you go, I need you to [Chorus:]

Show me, show me what I've gotta do

(Show me what I've gotta do, gotta get next to you)

'Cus baby if you love me

I'll do anything for you

(Show me what I've gotta do, gotta get next to you) It's hard for you and me

To put our feelings on display (display, baby)

But if you look into my eyes,

You'll know why I feel this way I know it's getting late

And you've got to go home, home

But before you go, I need you to [Chorus:]

Show me, show me what I've gotta do

(Show me what I've gotta do, gotta get next to you)

'Cus baby if you love me

I'll do anything for you

(Show me what I've gotta do, gotta get next to you) Only if you... show me, (show me) show me what I've gotta do

(Show me what I've gotta do, gotta get next to you)

'Cus baby if you... love me

I'll do anything for you

(Show me what I've gotta do, gotta get next to you) I know it's getting late

And you've got to go home

But before you go, I need you to All you gotta do is show me

(Show me which way to go baby)  
All you gotta do is show me  
Ooh, baby  
All you gotta do is show me  
All you gotta do is show me  
(Show me, show me, show me, show me, show me, show)  
Ooh, baby  
All you gotta do is show me  
(Show me, show me, show me, show me, show me, show)  
All you gotta do is show me  
Ooh, baby
