That's Not Really Funny

Eels

Did you think that I would laugh when you said I was small?
Did you think that, that would pass as if nothing at all?You say a lot of funny things, my little bunny
And I almost always laugh, but that's not really funnyYou play the little bells and tell a good story
You bake delicious pie and that's enough for meBut I am big, I am your man, and you're my little honey
And I like what you have to say, but that's not really funnyYou must not continue to emasculate me
The neighbor children through the window clearly seeThe little boy will wipe his nose because it's runny
Then point at me and laugh, but that's not really funny
