

# Healing

## Arthur Beatrice

You're disconnected sound from what you say  
The words come out but not what's written on your face  
Letters by someone else  
Familiar hand that I can't read  
I can't wait for time to tell  
If you're too far gone  
If you're dead to meHow deep is the wound I'm healing?  
Do you miss someone else when you see me?  
There's no easy time to give in  
When the moment is right  
Then the moment is right  
Tell me how you feel about trust?  
I'm not the type to throw it around  
And if you're going to leave it, then you must  
Because I don't need you weighing me down  
Tell it to me if you're feeling braveOr if you owe me all that I give  
And though you haven't got the faith to look my way

I hope you're happy now you feel some reliefI'm leavingHow deep is the wound I'm healing?

There's no easy time to give in  
When the moment is right  
Then the moment is right  
I'm healing

Do you miss someone else when you see me?  
There's no easy time to give in  
When the moment is right  
Then the moment is right
