Up In The Sky

Andrew Fisher (Merman)

Hey you, up in the sky
Learning to fly
Tell me, how high do you think you'll go
Before you start falling
Hey you, up in a tree
You wanna be me
Well, that couldn't be
'Cause the people here, they don't hear you calling
How does it feel
When you're inside me?
Hey you, wearing the crown
Making no sound, I heard you feel down
Well, that's just too bad
Welcome to my world
Hey you, stealing the light
I heard that the shine's gone out of your life
Well, that's just too bad
Welcome to my world
How does it feel
When you're inside me?
You'll need assistance with the things
That you have never ever seen
It's just a case of never breathing out
Before you've breathed it in
How does it feel
When you're inside?
I can feel you, can you feel me?
Hey you, up in the sky
Learning to fly
Tell me, how high do you think you'll go
Before you start falling
Hey you, up in a tree
You wanna be me
Well, that couldn't be
'Cause the people here, they don't hear you calling
How does it feel
When you're inside me?
You'll need assistance with the things
That you have never ever seen

It's just a case of never breathing out
Before you've breathed it in
How does it feel
When you're inside?
