Young, Latin and Proud

Helado Negro

And you can only
View you
With what you got
You don't have to
Pretend
That you got to know
More
Cause you areYoung Latin and proudCause you woke up
Feeling like this
You woke up
Knowing that you'll be
YouFor the rest of your lifeCause you are
Young Latin and proudAnd we are
Young Latin and proud
Young Latin and proud
We are
Young Latin and proud
We are
Young Latin and proud
And you grow older
Knowing that you'll
Always be this one thing
And you'll have
This to be you
And the people
Who'll be here waiting
For you
Always will be one with
You
And you'll be one with
MeYoung Latin and proudTu abuela es
Young Latin and proud
Tus padres son
Young Latin and proud
Tu hermana es
Young Latin and proud
Tus primos son
Young Latin and proudOne day you'll be

Old Latin and proud
