Cause you know, I know it's a game (Just SLAM!)

And of course, fuck that red tape
(*gavel pounds three times* "Guilty!!")
[Coolio]I gotta spit at y'all, they runnin some shit on y'all
Or should I say yes, cause I'm still on the bus
So y'all is really me it's just, y'all is already you

Quit your silly-ass games and, petty-ass dirts see and put

[Coolio]We live in a society created by an empire
that's based on terror, welcome to the One World Era
A complete interruption to your lil' paultry ass life
that you thought you was livin, and what you been given
No more Benzes to roll in, fat-ass stacks of money
Cause ain't no such thing as money

I bet y'all niggaz think it's funny
Put your money where your mouth or where your mouth used to be
Cause ain't shit on this planet, or in this life for free
We gonna do it like Osirus and The Warriors in the dark
Get your niggaz and my niggaz and some mo' niggaz
and have a meeting in the park!
[ODB]Lost in the sauce, cause you think you got force
