Warriors (Live 2011)

Freedom Call

At night, high up in the heavens we fight
Faster than lightning we strike
Like fires that rip through the night
Surrounded by lightRaging thunder in the skies
Time has come to sacrificeWe are warriors,
Born from the light
An army for freedom,
Defenders of life
Warriors,
Euphoria will rise
Returning from darkness
We bury all liesThe knights,
Outcast and lost in the skies
Returning to heaven denied
Louder than thunder we ride
Ready to strikeCall for us and you will survive
Follow us to paradiseWe are warriors,
Born from the light
An army for freedom,
Defenders of life
Warriors,
Euphoria will rise
Returning from darkness
We bury all liesHere we are,
The warriors of light
Here we are,
We came from the night
Here we are,
The warriors of light
Here we are, euphoria will rise
