It's All Good

Mario Winans

Ohhhhh
Oh lady,
Things ain't always what they seem
I never expected it to be a dream
That I continue to think of us together
We can make it through the stormy weather
You may not know it now
But everythings right
I know you can't see now
Just give it time
I will never leave you lonely
You can Always depend on me[CHORUS]
It's all good
Though it seems a little rough its ok (its ok)
So baby don't you worry bout a thing (cause I'm here forever)
'cause I'm here with you forever and a day
'cause its all ok (o baby)
There's nothing we can't handle
I'd world for you if I had to go
I would give you everything you needed'
Together we would never be defeated.
You may not know it now
But everythings fine
I know you can't see now
Just give it time
I would never leave you lonely
You can always depend on me[Chorus X6]
