I Don't Know

Steve Forbert

I don't know what you're tryna do
I don't know what's on your mind
I can't see just what's come over you
Ooh, baby, won't you show me a sign?I don't know what you're tryna do
I don't know and it's makin' me mad
I can't see just what's come over you
Baby, where's the love that we had?I been true, I been true to you
I had done the walked the line
Now I can't get close to you
I believe you've changed your mind
Little girl, that's what I'm thinkin', butI don't know what you're tryna do
I don't know, won't you kindly explain?
'Cause I can't see just what's come over you
Ooh, baby, what's the name of this game?Oh yes, I been true, I been true to you
I done the walked the line
Now I can't get close to you
I believe you've changed your mind
Yeah, that's what I'm thinkin', butI don't know what you're tryna to do
I don't know and it's bringing me down
I can't see just what's come over you
Ooh, babe, and I'm wearing a frown
I don't know, I don't know
