

What Do You Want From Me

Pink Floyd

(David Gilmour/Richard Wright/Polly Samson)As you look around this room tonight

Settle in your seat and dim the lights

Do you want my blood, do you want my tears

What do you want

What do you want from me

Should I sing until I can't sing any more

Play these strings until my fingers are raw

You're so hard to please

What do you want from meDo you think that I know something you don't know

What do you want from me

If I don't promise you the answers would you go

What do you want from me

Should I stand out in the rain

Do you want me to make a daisy chain for you

I'm not the one you need

What do you want from meYou can have anything you want

You can drift, you can dream, even walk on water

Anything you wantYou can own everything you see

Sell your soul for complete control

Is that really what you needYou can lose yourself this night

See inside there is nothing to hide

Turn and face the lightWhat do you want from me
