

Beep Beep

Timbaland & Magoo

Uh, say what?

Uh, say what?

Uh, say what?

Uh, say what? 1, 2, 1, 2

I be that man they call Timbaland

On these funky beats right here you hear him?

Uh huh, uh huh, now, how many people want to, huh

Learn this method that I have with these beats?

Uh huh, uh huh, now How many songs I'm gonna hear on the radio

That sound like mine? Uh huh, uh huh, now

To have a partna as well as my friend

Well I have two partnas as well as my friend

And one goes by the name of Maganoo A.K.A. Magoo, word

You know what I'm saying? I'm putting this man down

'Cause he got it like that, don't bite him And of course Missy Elliott

We put it down like that for the 96 and 97

[Incomprehensible]

This is my dialogue on this album

It's Magoo's album featuring me, Timbaland

You know what I'm saying? 'Cause he's so ill, I can't even rap over it

Maybe Magoo can rap over it, but I can let him rap over it

'Cause I got my man Jimmie D on that engineer board

And we do this like you know everyday, all day 24 hours You know what I'm saying, I'm making this money

I ain't got to rap, you know what I'm saying

All I got to do is talk on this track

And you will still buy it, you know what I'm sayin'?

It's like that, so Missy tell me what I'm gonna say Beep, beep, beep who got the keys to the jeep?

Vroom, I got 'em baby, beep, beep, beep, beep

Beep, beep, beep, beep, beep, beep, beep

Beep, beep, who got the keys to the jeep?

I got 'em baby, vrooom, beep, beep, beep, beep

Beep, beep, beep, beep Alright, now it's time for me to go

I done told y'all 'bout the sad show

The music's so ill, knida make one niggas want to kill

You know what I'm saying Big up to Larell High

That's my east school coast, word

I know you gonna play this in your Eddie Bauer, word

Uh huh, word, uh huh Can you bang it Larry? Uh huh

You know why you banging it? I'm out

Who the F is this? What
