## Badflower

Sometimes I cannot be respectable  
Sometimes I cannot be respectable  
It's hard when you're looking so delectable  
Sometimes I cannot be respectable Soap...

Ha!

My dirty words

I need to get my mouth washed out!  
Ohhh I need to get my mouth washed out! Ohh... Soap  
Soap...

Sometimes I cannot be respectable  
Sometimes I cannot be respectable  
Ooh it's hard when you're looking so delectable  
Sometimes I cannot be respectable... Soap...

Hahah...

Soap My dirty words

Ohhh I need to get my mouth washed out  
Let me get my mouth washed out Soap...  
Oh, use soap... I need to get my mouth washed out!

Let me get my mouth washed out!

I need to get my- washed out!

I need to get my mouth washed out!
