

# Good To Me

## Otis Redding

I don't know what you got baby  
But you're so good to me  
I don't know what you're doing wrong to me baby  
But you're so good to me  
I've been loving you, honey, for a long time  
And you're still good to me  
I've been loving you woman 20 long years  
I'll love you 20 more  
'Cause I've got that will to try, huh  
I remember those sweet kisses you give me last night  
And man they were so good to me  
All of that good, good, good old loving you give me baby  
Honey we were sure good to me  
I've been loving you woman  
20 long years  
If it takes 40 more  
Honey, I let my will to try, huh  
I don't know what you're doing to me baby  
  
But it sure is good to me  
Whatever you do wrong honey, I don't care baby  
Because you're so good to me  
I'm going to keep loving you woman  
For 20 more years  
After that I'm going for 40  
'Cause I've got my will, huh, to try  
I've been loving you woman too long  
But I'm just gonna keep on loving you all day long, honey, I love you  
Never gonna dissatisfy you in no kind of way, honey  
And I'm gonna love you baby long in the early morning sun  
You're just so good to me baby  
And I love, love, love you, honey  
I just love, love, love you, baby  
I'm just keep on loving you honey  
'Cause you're so good to me  
So so good to me, baby  
So good to me, love, love, love, honey
