Lost In Space (Remastered Album Version)

Luna

It's true
You're lazy
You're tired
And crazy
And you know there's something more
But you can't give it a name
Someone's selling all your heroes
And they seem so tameYou heard it all before
And said your case was tragic
You heard it all before
And now they say it's magicYou need
Time off
For good
Behavior
And you know there's something else
But you can't give a name
Someone's selling all your heroes
And it seems such a shame•You heard it all before
You said your case was tragic
You heard it all before
And now they say it's magic
