

# Contradiction

## Ohio Players

Contradictions  
(Contradictions)  
To me it seems that's what life's all about  
(That's what life's all about).  
My convictions (my convictions, girl)  
Are always keeping my poor soul in doubt  
(Keeping my soul in doubt)  
My restrictions (my restrictions, girl)  
Are always at war with all my needs  
(With all my needs!)  
My intention's (my intention's, well)  
To go through life and never bleed  
ContradictionsAnd now love and hate  
Should try to negotiate (let's make our deal girl).  
There's no time to wait  
Do it now, don't delay.  
Put away all your fears  
Don't believe the things you hear  
Just keep the faith,  
Don't hesitate -  
Someday you'll be greatContributions  
We all must give so that we can receive  
(Well)  
The solution  
Would be to never need (yeah)  
A revolution (a revolution)  
Is bound to change your constitution (bang bang honey child)  
Retribution  
(illusion)  
Confusion  
(confusion)  
Illusion  
(institution)  
Diffusion  
(dilution)  
Contradiction.If you won't change  
You'll make me feel strain  
And there will be a contradiction -  
And we won't have a chance to loveLove and hate

Should try to negotiate.  
There's no time to wait  
Do it now, don't delay.  
Put away all your fears  
Don't believe the things you hear  
Just keep the faith,  
Don't hesitate -  
Someday you'll be great Contradictions (repeat until end of song)
