

Fall In Love With Me

Iggy Pop

You look so good to me here in this old saloon
Way back in West Berlin, a bottle of white wine
White wine and you, a table made of wood
And how I wish you would fall in love with me You look so good to me standing out in the street
With your cheap fur on or maybe your plastic raincoat
And your plastic shoes, they look good too
Standing in the snow, youre younger than you look Fall in love with me, fall in love with me How I wish you
would, a table made of wood
And a, a bottle of white wine and you
And a, a bottle of white wine and you And when youre standing in the street
And its cold and it snows on you
And you look younger than you really are I wish you would fall in love with me
I wish you would fall in love with me
I wish you would fall in love with me
I wish you would fall in love with me, yeah The way your eyes are black, the way your hair is black
The way your heart is young, theres just a few like you
You're just the kind I need to fall in love with me
Oh, and you look so good, oh yes, you look so good A bottle of white wine, a cigarette and you
A here in this saloon, a white wine and you I wish you'd fall in love with me
I wish you'd fall in love with me
Cause theres just a few like you so young and real
Theres just a few like you so young and real Fall in love with me, fall in love with me
Fall in love with me, fall in love with me
I wish you would, you look so good Oh when youre young at heart, theres just a few like you
Youre young at heart, wont you?
Come to this old saloon, come to my waiting arms
A table made of wood and I will look at you 'Cause youre so young and pure, and youre young at heart
Youre young at heart, a bottle of white wine And when youre tumblin' down, you just look better
Oh, when youre tumblin' down, you just look better
