

New Perspective

Kaleigh

Verse 1

(Oooh oh oh oh oh yeah)

Things seem dull, walls come crashin' in Tell me, why's it so hard to turn it around? Find a way, to forget...to
move forward. Show me the way, tell me how to do this.

Chorus 1

(Ooh oh oh oh)

I just want a new perspective
Give me anything else to think about
Show me something that'll be worth it Need some positives, flush the rest away
I just want a new perspective, a new perspective.

Verse 2

This life is yours, own it like a stage Don't wanna be hidden by anything Find a loop...jump through it
To a new day, to a new place Show the world, it's your playground.

Chorus 2

(Ooh oh oh oh)

I just want a new perspective
Give me anything else to think about
Show me something that'll be worth it Need some positives, flush the rest away
I just want a new perspective, a new perspective.

Bridge

Sha la la la la mmmm (new perspective) Sha la la la la mmmm (new)
Sha la la la la Sha la la la la

Chorus 3

I just wanted a new perspective
Wanted anything else to think about
Had to find something that'd be worth it Needed some positives, flushed the rest away
I just wanted a new perspective, a new perspective a new perspective
